

Hair dryers

Touch sensor! Maximum energy saving and user comfort! The hair dryer switches on and off automatically thanks to the innovative touch sensor.

HC 60

Hair straightening brush

One single product to brush your hair and add shine! Straight hair with just a single brushstroke. Ceramic coating - for the protection of your hair.

HS 60

Hair straighteners

Tourmaline crystals release natural ions and give your hair a silky sheen. Dry, dull hair is now a thing of the past.

HS 40

Curling tongs

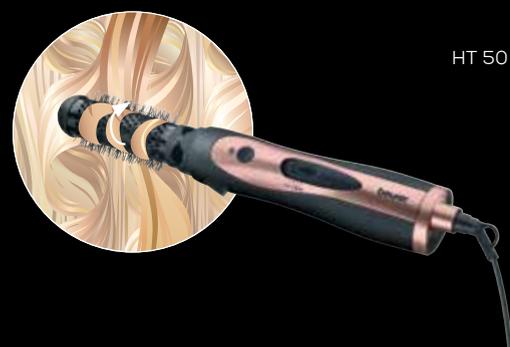

Simple Curl! Fast, effortless curls! Huge time savings: The hair is gently passed through the curler and is fast and easily curled.

HT 55

Hot air brushes

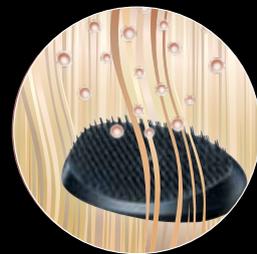

The sophisticated ion technology neutralises the hair with a flow of naturally charged ions to prevent the build-up of static charge.

HT 50

Ionic detangling brush

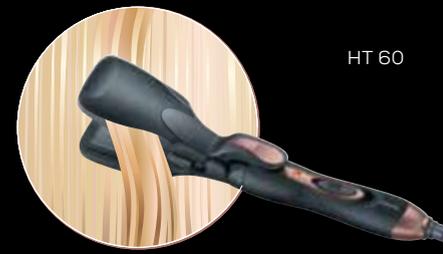

Perfectly styled hair at all times! Selectable ion function for sleek and shiny hair. Easily and gently untangles your hair.

HT 10

Multi-functional stylers

Look after your hair, create your dream look and feel great! The new StylePro HairCare range from Beurer allows you to create a hairstyle to suit any occasion, from smooth and silky and naturally wavy to glamorous evening looks.

HT 60

With the curling tongs you can form spiral curls. The 360° swivel joint at the power cable ensures a flexible handling.

HT 53

Always ready for your perfect style
