

A world first: Achillomed FM 200

The innovative Achillomed FM 200 massager from Beurer provides targeted massage of the strained or inflamed tendon. Improving circulation, soothing, and reducing aches and pains:
The Achillomed FM 200 does it all!

ALLEVIATE PROBLEMS
 WITH YOUR ACHILLES
 TENDON
 Beurer presents
 A world first in
 physio

"Massage of the Achilles tendon reduces fluid accumulation, alleviates pressure pain, improves supply to the cells, and helps rapidly reduce irritation."

Prof. Dr. Thomas Kurscheid

ACHILLOMED FM 200

One in 5 runners has Achilles tendon problems

"Anyone who runs is at risk: More than 50,000 recreational athletes face Achilles tendon problems every year. Now they can breathe a sigh of relief!"

intense sport

stylish footwear

"Sports, debilitating footwear, diabetes and arthritis: overloading the Achilles tendon or loading it incorrectly can affect anyone – and the associated inflammation is painful and dangerous."

Targeted use of pleasantly rotating massage heads to alleviate symptoms related to the Achilles tendon

- The footrest can be easily adjusted to you and the area in which you are experiencing symptoms
- You will quickly identify the right massage intensity for you, and can choose precisely the right speed and direction of rotation.
- Removable and washable massage heads

2 massage speeds and 2 directions of rotation

6 rotating massage heads, removable for improved hygiene

With height and width adjustment
