

Hair dryers

Touch sensor! Maximum energy saving and user comfort! The hair dryer switches on and off automatically thanks to the innovative touch sensor.

HC 60

Hot air brushes

The sophisticated ion technology neutralises the hair with a flow of naturally charged ions to prevent the build-up of static charge.

HT 50

Hair straightening brush

One single product to brush your hair and add shine! Straight hair with just a single brushstroke. Ceramic coating - for the protection of your hair.

HS 60

Ionic detangling brush

Perfectly styled hair at all times! Selectable ion function for sleek and shiny hair. Easily and gently untangles your hair.

HT 10

Hair straighteners

Tourmaline crystals release natural ions and give your hair a silky shine Dry, dull hair is now a thing of the past.

## Magic! triple ionic

Triple ionic function for individual styling and shiny hair

### A particular highlight

The Triple ionic function allows the ions to be controlled in three stages for personalised use with every hair type! Regardless of whether your hair is frizzy, smooth, thin or thick – the ion technology will create a sleek and shiny look!

### Your dream hairstyle made easy!

Thanks to the individual styling provided by the Triple ionic function, each hair structure is given a silky shine.

### Nothing is impossible!

The innovative professional technology for use at home: selectable 3-stage ion function.

## Easy! Sensor touch

HC 60 Hair dryer  
Maximum user comfort and energy saving!
